

Join us for a joint event with
Lutheran Church of the Newtons:

Book Reading and Signing with Muriel Gillick!

Sunday, February 27, 11 am
1310 Centre Street (at the Lutheran Church)

Once They Had a Country

Two Teenage Refugees in the Second World War
By Muriel R. Gillick, M.D.

Muriel captures her parents' story with enormous warmth and scrupulous attention to historical detail, as she chronicles their search across Europe for safety during World War II. A dramatic human story, this work brings the plight of refugees home to the reader—and with over 8 million refugees worldwide

today, the subject of how individuals and nation states respond to these individuals is indeed timely.

Muriel will read from and discuss the book with us at this informal gathering. Refreshments will be served.

This joint program is a great opportunity to meet members of the Lutheran Church and study with them. The Lutheran Church in the U.S. has long been engaged in refugee resettlement programs, and the Newton congregation currently houses a program for unaccompanied refugee children. We're also inviting members of our sister Reconstructionist congregations, and of course, friends of havurah members are welcome, too!
